Phuket, September 2022 – Noku Hotels is pleased to announce the opening of Noku Phuket. It is the fourth Noku hotel after Noku Kyoto, Noku Osaka and Noku Maldives.

A 45 minutes' journey from Phuket International Airport takes you to the newly built resort that is a hidden gem nestled on the hilltop away from the hustle and bustle of city life. Surrounded by natural flora, the resort features amazing views of the Chalong Bay.

Noku Phuket has been lauded with the Green Mark Gold award recently from the Building Authority of Singapore for its green design and sustainable efforts.

There are a total of 91 spacious Villas and Lofts furnished in soft earthy tones that marries Thai modern architecture with the hotel's hillside lush greenery.

Each roomy Loft features a large bathroom and balcony that overlook the surrounding forested hills. The spacious Hill Villas provide wonderful sea views over Chalong Bay, and each stand-alone Tree Villa is a private sanctuary nestled amidst quiet green landscape. Unwind in your private pool in both the Hill and Tree Villas or have a relaxing soak in the sunken bath.

For dining, EMBRACE Restaurant offers guests the opportunity to enjoy mouth-watering Thai dishes using locally sourced ingredients. After a long day of exploring the sights and sounds of Phuket at near-by attractions, guests can wind down and sip cocktails at The Terrace bar while enjoying the panoramic view of Chalong Bay.
